

• **Bleed** Artwork here is going to be almost entirely lost. If working full-bleed, make sure your artwork covers this area.

• **Crop** Artwork here will be printed, but shouldn't contain any readable elements.

• **Content** All dialogue and captions go here! Panel borders should all be contained inside.

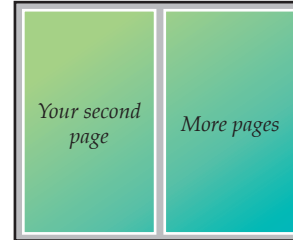

STORY PLACEMENT

This typography-only title page will help readers find your work quickly.

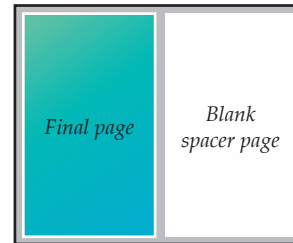

Stories open on the right leaf.

Please plan your page reveals and two-page spreads around this!

Stories should have an equal number of pages, so they can end on the left leaf.

Every story will have at least one page of white space separating it.

• **Gutter**
Artwork here will be obscured by the fold of the book.
