

• **Crop** Artwork here will be printed, but shouldn't contain any readable elements.

• **Content** All dialogue and captions go here! Panel borders should all be contained inside.

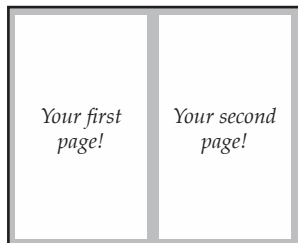

STORY PLACEMENT

Every story will have at least one page of white space separating it.

This typography-only title page will help readers find your work quickly.

Stories open on the left leaf.

Please plan your epic page reveals and two-page spreads around this!

• **Gutter**
Artwork here will be obscured by the fold of the book.
